According to the report, the release was not contained. Further follow-up needed.

Date: 7/14/2016 Status: Inspection Author: Crowdus, Kory

Updated Oil Volume:

Updated Salt Water Volume:

Updated Other Volume:

Updated Other Contaminant

Notes:

On location 7/14/2016, at 12:29 p.m. Release left location to the southwest. Impact was to a bean field. An area approximately 40 X 10 yards has had work done and vegetation removed. I did not notice any remaining impacts in undisturbed area surrounding impact. Follow up next growing season to check on vegetation growth.
